

Maximize Your Donation to TLC Learning Center

Your donation of \$250 or greater to TLC qualifies you for a

50% Childcare Contribution Tax Credit

Contribution	\$250	\$1,250	\$2,500	\$5,000	\$25,000
Colorado Child Care Contribution Credit	(\$125)	(\$625)	(\$1,250)	(\$2,500)	(\$12,500)
Colorado Tax Savings	(\$12)	(\$58)	(\$116)	(\$232)	(\$1,158)
Federal Tax Savings	(\$83)	(\$413)	(\$825)	(\$1,650)	(\$8,250)
After tax cost of giving	\$31	\$155	\$309	\$619	\$3,093

Figures in the table are based on a 33% Federal and 4.6% Colorado state tax bracket. This information should not be construed as tax advice. Please consult your tax advisor as individual tax situations vary.

- 100% of the credits you have accrued from donations for tax years 2015-2019 will be claimable.
- The tax credit is limited to donations up to \$100,000.00 per year. The credit allowed shall not exceed the tax liability for the year. Any excess credits may be carried forward for up to five years.
- In-kind contributions, including stock, property, or any non-monetary donations, are not eligible.
- Donate easily and securely at www.LearningWithTLC.org/donate

TLC Learning Center serves children from eight weeks to six years old with early childhood education and quality care, and children from birth to 12 years old with pediatric physical, occupational, and speech therapies. TLC provides scholarship assistance to families in need through our community partners and donors. TLC was founded in 1956 by Longmont families and remains a local institution.

Our mission is to provide comprehensive early childhood education and therapeutic services to assist each child in reaching his or her highest potential.

TLC is a registered 501(c)3 non-profit, ID #84-0523717.
Serving the Boulder County community since 1956

TLC

Learning Center

Serves Children & Families

A high-quality early childcare program can be the difference between success and falling into the achievement gap:

- 90% of a child's brain develops between birth and five years of age.
- Education begins at birth: an infant is born with approximately 100 billion brain cells. If an infant is immersed in an environment that is *stimulating*, *nurturing*, and *responsive* to the baby's needs, the child's brain will more closely resemble an adult's than a newborn's by the age of three! TLC's nursery for infants eight weeks and older sets the tone for a dynamic early childhood education that will continue until a child graduates from our preschool program at six years old.

A child's future success and their earliest years are deeply intertwined:

- High quality preschool programs boost language and literacy skills.
- School achievement in the 6th grade directly correlates to a child's development between 12 and 42 months of age and an enriched environment like TLC's ensures 25% more brain connections!
- Research shows us that learning to read is a lengthy process that begins *before* children enter formal schooling. Children who start early at TLC are more likely to enter grade school with a head start on reading and writing that will set the pace for their skill-acquisition throughout their schooling.

TLC is one of the highest quality childcare centers in Boulder County:

- A combined early childhood education center and pediatric therapy clinic.
- Accredited by Colorado Shines as a Level Four Colorado Shines childcare facility (out of five levels).
- Highly qualified teachers and staff (degrees in early childhood education).
- Low adult-to-child ratio of 10:1 (more nurturing adults to meet the needs of each child).
- Fully inclusive classrooms serve children both with and without special needs.
- Scholarship assistance insures our classrooms are economically diverse as well as ability diverse. Diverse and inclusive classrooms benefit ALL children who learn cognitive and social-emotional skills side-by-side while developing healthy minds and bodies.
