TLC Kentucky Derby Fundraiser

Sponsorship of TLC events not only provides visibility for your organization, but also supports a vital resource in your community. TLC Learning Center is the only fully inclusive, early childhood center in Boulder County, providing high-quality education for kids with special needs, as well as those who are typically developing, from birth until they are ready for kindergarten. In addition to a dynamic educational experience, TLC also provides therapeutic services like occupational, physical, and speech therapies to kids up to 12 years old. Your sponsorship truly makes a difference in the lives of children in our community!
