This Rate Notification between Boulder County Department of Housing and Human Services, herein referred to as "Department" and TLC Learning Center, herein referred to as "Provider", who will provide child care at 611 KORTE PARKWAY, LONGMONT, CO 80501 is an addendum to the Fiscal Agreement entered into by these parties effective 07/01/2022 and remains in effect until the termination of the above-referenced Fiscal Agreement.

The Child Care Assistance Program rates to be paid to the provider are to be as follows: Per the Colorado Child Care Assistance Program (CCCAP) Rules and Regulations 8 CCR 1403-1, State and County reimbursement rates must include a system of tiered reimbursement for licensed child care providers based on their Colorado Shines Quality Rating. Reimbursement rates are established by the state for the Regular Rate Type. Other Rate Types and amounts are a County-option: View the County CCCAP Policies and Rate Plan on the Colorado Department of Early Childhood website, cdec.colorado.gov, to view the Rate Types, amounts and other county-options such as holidays, absences, hold slots, slot contracts, drop in days, Activity Registration and/or Transportation Fees and parent fee hardships.

Rate Information:

Rates have been entered based on the licensed provider's Colorado Shines Quality Level to pay either the county rate limit or the provider's private pay, whichever is less, for State-CCCAP and County-established rates. The 'age bands' include the child age ranges in conjunction with ages approved on the provider's license and represented on the Private Pay rate sheet. The payment types are made in part time/full time daily rates defined as: Part Time (PT): 1 second through 5 hours; Full Time (FT): 5 hours 1 second through 12 hours; Full Time/Part Time (FT/PT): 12 hours 1 second through 17 hours; Full Time/Full Time (FT/FT): 17 hours 1 second through 24 hours. The 'County Ceiling Rates' Chart (within the 'County Rate Plan') has been compared to the Licensed Provider's Private Pay rate sheet on file with the current Fiscal Agreement. For

Qualified Exempt providers, the amount is a static county-set standard. The allowable daily rate reimbursements are listed below.

Sincerely,
